

The logo for the Society for Intrauterine Growth and Obstetrics (SIEOG), consisting of the letters 'SIEOG' in white, bold, sans-serif font, centered within a solid red square.

SIEOG

The background of the entire page is a blue-toned image. It features a close-up profile of a woman's face on the right side, looking towards the left. On the left side, there are several hands, some appearing to be holding or supporting a large, glowing blue sphere that resembles a globe or a fetus. The overall aesthetic is clean and professional, with a focus on maternal and fetal health.
